

# COAST TO KOSCIUSKO 10 DAY ADVENTURE

## *Coast to Kosciusko 10 Day Adventure*

Join us as we discover the isolation of Corajingolong National Park, situated on the East Gippsland coast. The jewel of this area is lovely Mallacoota. We cross over the border into NSW for our next day of walking in beautiful Bega Valley. With the coast now behind us we travel through the mountains and into magnificent Kosciusko National Park. It embraces an extensive alpine region and includes Australia's highest mountains as well as the source of the famous Murray and Snowy Rivers. In Winter it is a haven for ski enthusiasts while in summer it is a perfect place to explore the grasslands with their alpine wildflowers and the crystal clear lakes.

It's New Year's Eve and there is no better place to celebrate than on the roof of Australia - Mt Kosciusko! A couple of days here to trek to the summit and marvel at the views. From here we follow the Murray River and pass back into Victoria following the Alps. Before returning to Melbourne we stop off at Mt Buffalo for some more walking and more of that fantastic Alpine scenery.

*Tour includes: Experienced guide and cook, all meals (incl. champagne New Year's Eve and Easter Eggs Easter Sunday), camping and hiking equipment and return transport from Melbourne.*
